

Mr. Rayyan Nagadi

By *admin*

Created 02/28/2016 - 14:39

Director, Project and Export Finance, HSBC

Display Order: 64

Rayyan joined HSBC Saudi Arabia in 2006 with currently over fourteen years of experience in project and structured financing. Rayyan has lead numerous high profile advisory and lead arranging assignments in Saudi Arabia, primarily in the power and utilities, infrastructure and petrochemical sectors. As financial advisor, Rayyan's responsibilities cover assisting public and private sector clients in the procurement and development of projects in addition to promoting PPP for infrastructure development. Before joining HSBC, he was with the Saudi Industrial Development Fund where he was engaged in numerous project financings across the petrochemical and building materials sectors. Mr. Nagadi received his BA in Electrical Engineering from the University of Petroleum and Minerals.
